

WHEN YOUR TEAM HITS AN IT WALL, WHO DO THEY CALL?

• • • • • IT support and security from your backyard.

THE SOUTH SHORE IT CHECK. FREE.

A security and capacity assessment mapped to the rules you answer to: HIPAA, FTC Safeguards, GLBA, CMMC. Findings reviewed with you within 10 business days.

- 20+ certified engineers, help desk through the C-suite
- Plymouth HQ, on site the same day when it matters
- Co-managed or fully managed, we plug into your team

WORTH 20 MINUTES?
